

## HIGHLIGHT LET'S DO IT!

Dear school families,

we hope you have had a great **summer holiday!**

We are almost ready to **start** another fantastic year and we would like to extend our **welcome** to the new and 'old' families alike.

For everyone new, we are the Parents' Association (PA), a non-profit organisation composed of parents who volunteer their time to do so much at ESK such as: administering the canteen, representing you within the Transport Committee, financially supporting school projects, managing the Afterschool Activities, advising school families on topics such as SEN, and much much more! And all of this as volunteers!

To see all of our working areas please check out our Who's Who on the [ESK Eltern Website](#).

We would like to underline the importance of the PA in our school, so don't miss the opportunity and become a **member!**

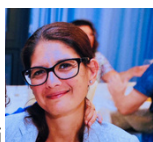

Best wishes,

Parent Association Administrative  
Committee (PAC)

If you would like to organise one of the afternoon events and represent your country, please contact us via email at [kar-ev@partner.eurasc.eu](mailto:kar-ev@partner.eurasc.eu). As a Sneak Peak, October will be hosted by our **Indian** families and November will be very **German**.

**Annual General Meeting!** On 26 September at 7 pm, we will elect new members of the PA Administrative Committee who represent you and your families in each language section. Please see attached invitation.

**Afterschool Activities (AA) launch!** In the week preceding 25 September, the official start date, the course lists will be published to our website. In our next Newsletter issue, we will give you much more information about the AAs and which classes you can look forward to for your children!
