## HIGHLIGHT

Dear School Community,

We extend our gratitude for **hosting** the Italian students currently in our school through the Erasmus program. We also would like to express our profound appreciation to all the families who have opened their homes to mobility and Erasmus students over the years.

We are reaching out to you with a request: Giulio, one of our Italian students, requires accommodation during the upcoming **Easter** holidays. Your support in hosting Giulio during this time would be immensely appreciated.

If you plan to remain in Karlsruhe over the Easter break and are able to host Giulio, please do not hesitate to contact the Mobility Team:
